"There's a difference between saying this is the church I go to and saying this is MY church."

1. Things that will help you say "This is MY church"
2. Be there! You won't ever feel like you belong at a place that you don't go to regularly.
3. Talk to people! We're "doing life" together. We were created for community and fellowship.
4. Invite others! Many times the reason people don't ever go to church is that they are never invited.
5. Serve joyfully! Little things, big things. It doesn't matter... just serve JOYFULLY.
6. Give generously! Where your treasure is, there your heart will be also.
7. Support your pastor! You will NEVER know about all the things he is carrying and how hard he works.
8. Pray fervently! We pray for the things that are important to us. Pray for God to do things that only He can do.

Ask yourself... If every church member was a member like me, what kind of church would it be?
