New Life Christian Academy □ The large playground at NLCA had many structures that were installed when the Academy opened, over 22 years ago. Many had begun to deteriorate due to use, weather and wood decomposition. This spring the structures were removed due to safety concerns. In place of the wooden equipment, NLCA would like to purchase age appropriate items that would encourage child-led exploration and creativity, including unstructured sand and mud play, pretend experiences, process art exposure and body awareness games. If you can please donate to NLCA for play items or use QR code to purchase items!
