The large playground at NLCA, installed over 22

years ago, had many deteriorating structures due to

use, weather, and wood decomposition. This spring,

safety concerns led to their removal. NLCA plans to

purchase age-appropriate play items that encourage

childled exploration and creativity, such as unstructured sand and

mud play, pretend experiences, process art exposure, and body

awareness games. Please donate to NLCA for play items or use the

QR code to purchase them.
