

**New Life Christian Academy** is the only childcare option in our rural community, supporting working families who rely on us each day. As a ministry of our church, we **teach children about Jesus** and **provide a loving, stable place** to grow. Upgrading the House on the Corner (HOC) will give us a safe, functional space—allowing this ministry to continue serving Grant’s children and families with Christ-centered care.

Please help by donating toward one of the projects below:
